

# OXFORD PRESERVATION TRUST AWARDS 2022

## Letter of Commendation

### Alkaline Fen Restoration, Raleigh Park, North Hinksey, Oxford

Thank you for your entry in the Oxford Preservation Trust Awards 2022.

The judges enjoyed the well-informed visit to see this important work to improve habitat through the Alkaline Fen Restoration Project. They were keen to recognise the hard work of the Friends and the individuals involved. It is hoped that this work can also recognise the stunning views of Oxford that the Park affords going forward.

**We are pleased to award you this Letter of Commendation in the  
Oxford Preservation Trust Awards 2022.**

Yours sincerely,

Debbie Dance, OPT Director
